4. ____ If the District Attorney's office confirms a child may be testifying as a witness in a case against the visiting party or their spouse, visits will be denied unless special provisions are recommended by the District Attorney's office or Judge presiding over the case.
5. ____ Guardians of Hope has the right to deny services to a family if a party's participation poses a clear and present danger to him/her or others or violates this contract in any manner.
6. ____ All participants and guests are subject to rules and regulations established by GOH.
7. ____ All Parties are responsible for informing GOH of any changes in address, phone, attorney, income and/or legal issues within seven (7) days of the change by calling the office during regular business office hours.

Note: Guardians of Hope (GOH) is not a party to the lawsuit. If GOH is unable to provide services in accordance with the court order, it is the participant's responsibility to request the court to modify the Order **in the absence of a mutual agreement**.

THE POLICIES AND PROCEDURES

8. ____ Visitation schedules will be established within the capacity and limitations of the GOH facility, with the intention of meeting the needs of the participants. The standard visitation schedule is: Saturday following the 1st, 3rd, and 5th Fridays of the month for four hours (4 hours) from 8AM to 12 PM. However, the schedule may have to change to reflect and accommodate the availability of GOH staff. Private visits may be scheduled contingent upon our availability and at the discrimination of the Executive Director.
9. ____ GOH maintains the right to have uniformed security present at the expense of the Non-Residential Parent for private visits if the Executive Director deems it necessary. (Refer to the fee schedule).
10. ____ Non-Residential Parents (NRP) are to confirm their visit by notifying the office **before 5 PM the Thursday prior to the weekend visit**. The Residential Parent (RP) may call between 10 AM and 2 PM on the Friday of that same week to inquire if the NRP has confirmed they will attend. We will notify the RP if the other parent will not be attending the visit or does not call to confirm. If you **do not** receive a call from our office, please assume the visit is scheduled to take place.
11. ____ Visits are scheduled for the visiting party **only** or persons otherwise named in the court order. However, after 3 to 5 visits (at the Executive Director's discretion), a *Guest Request* may be submitted (at least 30 days prior to anticipated date of visit) for review. Guests are only allowed to visit once a month and a fee of \$5.00 per hour per guest over the age of 3 years old. There may be some circumstances where a guest is permitted more often. GOH staff will review the request and determine if the guest(s) will be allowed to attend the visit. **Note: All guests are required to follow all rules and policies of GOH. Failure to comply will result in termination of the guest's visiting privileges.**
12. ____ The Residential Parent (RP) or their designee is required to arrive **no earlier** than the scheduled time the visit is to begin or end. In the case of group visits, that time would be 8 AM when the visit begins and 12 PM when the visit is to end. Arrival for private visits is at the time the visit is scheduled to start or end. The RP or their designee will drop off or pick up their children and immediately leave vicinity of the visitation center. In addition, the NRP's designee is **not** allowed to park and wait in the parking lot, on the public street, or any other common or public area bordering the visitation center after dropping off the NRP and may not return until the NRP is released from the visitation. **Note: Please refer to the fee schedule regarding late arrivals, no call/no shows, ending of private visitation times, late pick-ups and violations of this contract.**

The NRP must call with a valid reason for being late prior to the visitation time or the visit will be documented as No Call/No Show and the applicable fee will be added and the visit will not take place. If the NRP calls with a valid reason (determined by the Executive Director) for being late prior to the visitation time, we may ask the RP to wait 15 minutes after the scheduled time of the visit for them to arrive, and if they do not arrive in that timeframe, they may leave. **Note: Please refer to the fee schedule regarding late arrivals, no call/no shows, ending of private visitation times, late pick-ups and violations of this contract.**

Fines will be assessed according to our fee schedule for not adhering to this contract.
37. ___ The GOH staff will not discuss a party's case, concerns, or complaints during or immediately after the visits or exchanges.
